

MUFEEZ QADRI

SOFTWARE DEVELOPER

Profile

As a student at SRM Institute Of Technology, I am eager to apply my skills and knowledge in HTML, Python, machine learning, and computer skills. I have a strong ability to work effectively in a team and I am excited to collaborate with others to achieve common goals. With a B.Tech degree in progress, I am dedicated to continuous learning and growth in the field of technology. My future goals include gaining practical experience and expanding my skills in order to make a positive impact in the industry. I am motivated, proactive, and ready to take on new challenges as a student.
